## STATE OF THE ART

# 10<sup>th</sup> December 2015

## ADVANCED MANAGEMENT OF GLOMERULAR DISEASES: STATE-OF-THE-ART 2015

**FINAL PROGRAM**

**LIVING TOMORROW**

**Indringingsweg 1**

**B-1800 Vilvoorde**

Dear Colleagues,

The BVN/SBN is proud to announce the start in 2015 of a new postgraduate educational initiative aimed primarily at experienced and established nephrologists.

The idea is a one day State-of-the-Art in-depth meeting covering in detail one specific topic in Nephrology.

The faculty will consist of experts in the field who will cover the latest developments in pathophysiology, diagnostics and therapeutics.

Part of the meeting will be interactive and case discussions are welcomed; the meeting is focused on hands-on clinical practice.

The first edition of this new meeting program will be entitled: "Advanced Management of Glomerular Diseases: State-of-the-Art 2015"

We are looking forward to welcome you during this symposium.
