STATE OF THE ART

15th December 2016

KIDNEY TRANSPLANTATION: WHAT THE NEPHROLOGIST NEEDS TO KNOW

FINAL PROGRAM

LIVING TOMORROW

Indringingsweg 1

B-1800 Vilvoorde

Dear Colleagues,

Despite tremendous improvement of the care of the kidney transplant recipients, during the last two decades, we are still daily facing important issues and sometimes difficult decisions in this patient population.

This State of the Art Symposium organised by the Belgian Society of Nephrology, intends to address these issues and to provide the nephrologist with accurate and up-to-date information.

Discussion after each presentation will be encouraged.

We are looking forward to welcome you during this symposium.

Prof. Dr. Jean-Louis Bosmans

Dr. Steven Van Laecke

J. Nortier	S. Van Laecke	P. Janssens
President	Treasurer	Secretary

PROGRAM

08h30—09h00 *Registration*
